NOTES

Gallery, bump-out and window: west wall. The 52" shelf bump-out sticks 7.25" into the room; gallery and window section are in the same plane.

North wall: west segment 1.75" proud of the door wall; bay 17" deep (15.25" beyond the door wall); pier face 10.75" into the room (26" from the bay wall).

Stair tread depth (10") is assumed - please measure.

Front door width read from the photo.

Mirror and coat hooks (east wall) not shown - they stay put.

measured ≈ estimated from photos
